

As an Indiana resident, We urge you NOT to allow the weakening of Indiana's Telephone Privacy Law. The CBA is currently petitioning the FCC trying to use the "established business relationship" exemption on Indiana consumers and we do NOT agree with their reasoning. We do not wish for the CBA or any other company, not already allowed by Indiana's Telephone Privacy Law, to contact us and disrupt our privacy at home or by our cellular phones. Please do NOT allow the weakening of Indiana's law!!

Concerned Indiana Residents,  
Mr. & Mrs. Mark Landis
